Nancy Meier

Dear Nancy,

I don't know where to start. I owe you a lot for the last two years and the ones ahead of us too. There are a lot of them ahead of us and I am so glad I got the chance to go with you again. You made my senior year of wing life. I hope that I got the chance to make your senior year a good one. I will always remember you. There are some Nice things that I will always remember when I get out of your way to talk to me or to watch me play baseball. I will always say it. I love it when you call me Donny's Party. We had a lot of good times, one mulling over the other. I wish we could just the miller. Remember when I got my car. We had such a good time. I can't thank you enough for getting me out and helping me to do st. These are some of the best times we had. But the best time was picking you up and going to Albany ever. Just the watch for the Birthday. I had such a good time at the Thanks for the Birthday. I will always remember you and your senior caught so hard

FESTIVITIES '78

The Senior-Freshmen powder puff team tied the Junior-Sophomore team at 12-all. Although the score was tied, the Junior-Sophomore team really ''creamed'' the Senior-Freshmen .... The sophomores pooled their energy to prevail during the Huskie Olympics. The juniors took 2nd, and the Seniors came in a respectable 3rd. The Freshmen, being Freshmen, were put in their place — last .... The volleyball team's valiant efforts seemed in vain as they bowed to the opposition .... The ever talented Junior class collaborated with AHS's own Picasso, Mr. Benson, to bring a little New York street fervor to the '78 festivities. ... After winning the float competition, the Juniors vowed never to make another flower again .... The Sophomores brought ''GREASE'' to the Homecoming festivities. They also took 1st in the skit competition .... Live from AHS --- It's ''SATURDAY NIGHT'' .... And the cross country team trudged forth, they may not have brought home the purple jug, but they did finish respectably .... The Huskie's football team ''De-Thorned Mel-Rose'' by a convincing score of 20 to 0, adding the perfect touch to an eventful week.

Nancy:
I don't know what to say (write) so I'll keep it short. We had a lot of fun in Doria even though Miller was yelling at me every minute. Remember "I want a piece... of gum?" You're lucky you had me in Doria to keep an eye on you and Joe. You had some fun parties this year - so have some more. Remember mooning (!!) on Jean's birthday. Next time you better join me (and Rhonda if she can ever get her pants off). We'll have to go to some more drive-ins this year - remember the "ghost". You're really fun to be with - so - I'll see you this summer. Take care -

Love,
Beth
